

Telecommunications Poles and Conduits

Remote Public Hearing

Thursday, June 18, 2020 at 10:00 a.m.

This public hearing will be a remote meeting using WebEx, commencing at 10:00 a.m. on Thursday, June 18, 2020.

Further information on member, agency, and public access to the meeting will be sent to members and affective agencies and posted on the website of the Department of Revenue Administration, Municipal and Property Division, at <https://www.revenue.nh.gov/mun-prop/index.htm>.

Written and oral testimony shall be accepted concerning how the RCN of telecommunications poles and conduits values shall be established, including but not limited to:

- (1) The industry resources that should be considered prior to establishing the RCN of telecommunications poles and conduits;
- (2) The proper method for calculating the RCN of telecommunications poles and conduits; and
- (3) Any other information relevant to the establishment of RCN of telecommunications poles and conduits pursuant to RSA 72:8-c, II.

If you know that you would like to speak at the meeting, please contact Stephanie Derosier in the Municipal and Property Division at Stephanie.Derosier@dra.nh.gov so that we can prepare a list of persons who should receive a WebEx invitation via e-mail.

If you would like to submit written testimony you may e-mail to Stephanie.Derosier@dra.nh.gov or mail to:
