The New Hampshire Department of Revenue Administration (“Department”) issues this Technical Information Release to provide the adjusted allowable average value of Education Tax Credit scholarships for the 2015 Program Year. RSA 77-G:2, I(b) requires the Department to annually adjust the average allowable value of the Education Tax Credit scholarships to reflect the average change in the Consumer Price Index for All Urban Consumers, Northeast Region, using the “services less medical care services” special aggregate index, as published by the Bureau of Labor Statistics, United States Department of Labor.
