INTEREST AND DIVIDENDS TAX RETURN
 GENERAL INSTRUCTIONS

WHO IS TAXABLE

Taxable income is that income received from interest and dividends during the tax year prior to the assessment date by:

(a) Individuals who are inhabitants or residents of this state for any part of the taxable year whose gross interest and dividend income from all sources, including income from a qualified investment company pursuant to RSA 77:4, V, exceeds \$2,400 during that taxable period.

(b) Trusts, Partnerships and Limited Liability Companies (LLCs) beneficial interest in which is not represented by transferable shares, whose gross interest and dividend income from all sources exceeds \$2,400 during the taxable year, but not including a qualified investment company as defined in RSA 77-A:1, XXI, or a trust comprising a part of an employee benefit plan, as defined in the Employee Retirement Income Security Act of 1974, section 3.

Partnerships are taxable if their shares are non-transferable.

(c) Fiduciaries deriving their appointment from a court of this state whose gross interest and dividend income from all sources exceeds \$2,400 during the taxable year.

WHO MUST FILE A RETURN

INDIVIDUALS: Individuals who are residents or inhabitants of New Hampshire for any part of the tax year must file providing they received more than \$2,400 of gross interest and/or dividend income for a single individual or \$4,800 of such income for a married couple filing a joint New Hampshire return. (Part-year residents see below.)

PARTNERSHIPS, LLCs, TRUSTS AND FIDUCIARIES: See separate Quick Checklist in this booklet regarding "WHO" and "WHAT" is taxable.

JOINT FILERS: To ensure your payments are credited to your account, the sequence of names and social security numbers must be consistent on all Interest and Dividends Tax estimates, extensions and returns.

NH RESIDENT/INHABITANT: To determine if you are a NH resident/inhabitant, refer to the Department's administrative rules, NH Admin. Rules, Chapter Rev 900. Factors include, but are not limited to: Do you maintain a home, spending a greater percent of time in New Hampshire than elsewhere; Have you advised a state or local agency you are a resident/inhabitant; Are you registered to vote in New Hampshire; Are you licensed to drive in New Hampshire.

PART YEAR RESIDENT: For New Hampshire Interest and Dividends Tax purposes, a "part year resident" is someone who has permanently established residency in New Hampshire during the year or who has permanently abandoned residency in New Hampshire during the year.

If you **established** residency after January 1st of this tax period check the "Initial Return" box and enter the date of residency in Step 2. If you **abandoned** residency during the year, check the "Final Return" box and enter the date in Step 2.

A temporary absence for any length of time does not change your state of residency. If you are unsure whether you are a resident of New Hampshire, call the Central Taxpayer Services (603) 271-2191, Monday through Friday, 8:00 a.m. to 4:30 p.m.

Only the interest and dividend income earned during that portion of the year for which they were a New Hampshire resident is taxable. Part-year residents are entitled to the full \$2,400 exemption (or \$4,800 for joint filers) and the full amount for the exemptions shown on Line 8 of the return. Part-year residents must file a return if, during the entire year, their adjusted taxable income was over \$2,400 (or over \$4,800 for joint filers).

WHEN TO FILE

Calendar Year: If your return is based on a calendar year, it must be postmarked on or before April 15th, unless the 15th is a weekend or a recognized State holiday, it will be due on the next business day.
Fiscal Year: If your return is based on a taxable period other than a calendar year, it must be postmarked on or before the 15th day of the fourth month following the end of your taxable period.

WHERE TO FILE

MAIL TO: NH DRA (NH DEPT OF REVENUE ADMINISTRATION)
 PO BOX 2072
 CONCORD NH 03302-2072

FORMS MAY NOT BE FILED BY FAX**EXTENSION TO FILE**

New Hampshire does not require taxpayers to file an application for an automatic 7-month extension of time to file provided that the taxpayer has paid 100% of the Interest and Dividends Tax determined to be due by the due date of the tax.

If you need to make an additional payment, you may file a Form DP-59-A Extension Form along with the payment or e-file your payment on-line at www.nh.gov/revenue. This application and payment must be postmarked on or before the due date of the tax. Failure to pay 100% of the tax due by the original due date will result in the assessment of interest and may result in the assessment of penalties. You are not required to attach a copy of your federal extension to your return.

CONFIDENTIAL INFORMATION

Tax information which is disclosed to the New Hampshire Department of Revenue Administration is held in strict confidence by law. The information may be disclosed to the United States Internal Revenue Service, agencies responsible for the administration of taxes in other states in accordance with compacts for the exchange of information, and as otherwise authorized by New Hampshire RSA 21-J:14.

The failure to provide social security numbers may result in a rejection of a document. The failure to timely file a document complete with social security numbers may result in the imposition of civil or criminal penalties, the disallowance of claimed exemptions, exclusions, credits, deductions or adjustments that may result in increased tax liability.

AMENDED RETURNS

If you discover an error was made on your return after it has been filed, an amended New Hampshire return should be promptly filed by completing a corrected Form DP-10 and by checking the "AMENDED" box in Step 2 on the return. New Hampshire does not have a separate form for amended returns.

ROUNDING

Money items on all Interest and Dividends Tax forms may be rounded off to the nearest whole dollar.

REPORT OF CHANGE (ROC)

To report a change to your Interest and Dividends Tax Return for years 1994 to present, (which resulted from a federal audit) file a separate report of change, Form DP-87ID, for each year. To report a change for taxable periods prior to 1994 contact the Department for the appropriate forms and instructions. To file a report of change on an Interest and Dividends Tax return, you will need to use the federal adjustment and a copy of your return as originally filed or previously adjusted. When filing the completed DP-87ID, you must sign in ink and include the IRS form reporting the change. Follow the line by line instructions when filling out the report of change. (b) FAILURE TO PAY: A penalty equal to 10% of any nonpayment or underpayment of taxes shall be imposed if the taxpayer fails to pay the tax when due. If the failure to pay is due to fraud, the penalty shall be 50% of the amount of the nonpayment or underpayment.

(c) FAILURE TO FILE: A taxpayer failing to timely file a complete return may be subject to a penalty equal to 5% of the tax due for each month or part thereof that the return remains unfiled or incomplete. The total amount of this penalty shall not exceed 25% of the balance of tax due. Calculate this penalty starting from the original due date of the return until the date a complete return is filed.

(d) UNDERPAYMENT PENALTY: If your tax is more than \$500 you are required to make estimated tax payments during the tax year. To calculate your penalty for nonpayment or underpayment of estimated tax or to determine if you qualify for an exception from making estimated payments, complete and **attach** Form DP-2210/2220. Form DP-2210/2220 may be obtained from our web site at www.nh.gov/revenue or by calling the Department of Revenue Administration forms line at (603) 271-2192.

NOTE: Taxpayers who substantially understate their tax may be assessed a penalty by the Department in the amount of 25% of any underpayment of the tax resulting from such understatement. LINE 15(b) Enter the amount of any return payment made electronically.

LINE 15 Calculate your net balance due. Line 15(a) minus Line 15(b). Enter the result on Line 15. Make check or money order payable to: State of New Hampshire. Payment must accompany the return; **HOWEVER,**

ENCLOSE, BUT DO NOT STAPLE OR TAPE YOUR PAYMENT TO THE RETURN. To ensure your check is credited to your account, put your SSN or FEIN number on the check. Pay your taxes online at www.nh.gov/revenue.

You may file this return online by logging on to www.nh.gov/revenue. If the net balance due is less than \$1.00, do not pay **but still file the return**. If you file online, you do not need to mail the return to NH DRA.

LINE 16 If the total payments (Line 12, plus Line 15(b) are greater than total tax (Line 11 and Line 14) then you have over paid. Enter the overpayment amount on Line 16.

LINE 17 The taxpayer has an option of applying any part of the overpayment or the total amount of the overpayment as a credit to next year's return. Enter the desired credit on Line 17(a). The remainder, which will be refunded, should be entered on Line 17(b). If Line 17(a) is not completed, the entire overpayment will be refunded.

POA: By checking the POA box and signing the return, the taxpayer authorizes the Department to discuss this return with the preparer listed on the front of the return. This is a limited POA. Preparers may be required to submit a Form DP-2848 for other tax matters and/or years.

- Surviving Spouse: If one of the joint filers die subsequent to the end of the taxable period but prior to the filing of this return, enter the appropriate information in Step 2, sign the return as the joint filer and check the box below the signature line to indicate Filing as surviving spouse.
- If the taxpayer or spouse is deceased and the Interest and Dividends Tax return results in an overpayment to be refunded, Form NH-1310 may be required to issue the refund to someone other than the deceased party. Form NH-1310 is available on the web at www.nh.gov/revenue. For NH-1310 should be completed and attached to the return if applicable.
- Fiduciary/Trusts: If you are signing on behalf of a trust, you must indicate under what authority your are signing. (i.e. "trustee")
- Preparers: If you paid a preparer to complete this return, then the preparer must also sign in ink and date the return. The preparer must also provide his/her FEIN, SSN or federal preparer tax identification number and complete address.

COMMON ERRORS: The following is a list of the most common mistakes made by taxpayers when filing a New Hampshire Interest and Dividends Tax return. These, along with other errors, may cause the return to be considered an "incomplete return" which may result in the assessment of interest and penalties. To ensure that you have filed a complete return, carefully follow the general and line-by-line instructions and be sure you have done the following:

- Have you signed and dated the return in blue or black ink? (Rev 2904.04)
- If this is a joint return, has your spouse included his/her social security number, signed and dated the return in blue or black ink?
- If there is a balance due of \$1.00 or greater, have you enclosed a check for the total amount due?
- If your tax liability last year was \$100,000 or more, you are required to electronically pay your taxes at www.nh.gov/revenue.
- Did you make the check payable to the State of New Hampshire?
- Is the written amount on the check the same as the numeric amount?
- Have you signed and dated the check?
- Have you enclosed both pages of Form DP-10?
- Did you mistakenly send a payment in the amount of your credit or refund? If you would like to make an additional payment, use Form DP-10-ES

INSTRUCTIONS**

At the top of the return enter the beginning and ending dates of the taxable period if different from the calendar year.

PRINT the taxpayer's name, Social Security Number (SSN), Federal Employer Identification Number (FEIN), or Department Identification Number (DIN) in the spaces provided.

SSNs are required pursuant to the authority granted by 42 U.S.C.S., Section 405. Wherever SSNs or FEINs are required, taxpayers who have been issued a DIN, shall use their DIN only, and not SSN or FEIN.

NOTE

If the Interest and Dividend Tax for the current taxable period is less than \$500 do not complete this form. If you made late partial estimated tax payments, or if this form does not adequately provide instructions for payments you have made, contact Central Taxpayer Services at (603) 271-2191. Individuals with hearing or speech impairments may call TDD Access: Relay NH 1-800-735-2964.

PART I - FIGURE YOUR UNDERPAYMENT

LINE 3(a)

For Interest and Dividends calendar year filers, fourth quarter estimates are due January 18, 2011.

LINE 3(c)

Enter in Columns A through D the amount of Line 2 multiplied by Line 3(b).

LINE 4

Enter only the estimated amounts paid timely. Any amounts paid after the specified date [Line 3(a)] should be entered in the next quarter.

LINE 5

Enter any overpayment computed on Line 7 for the previous period. For example, Line 5 Column B will correspond to Line 7 column A.

LINE 8

If Line 8 shows an underpayment, and you do **not** meet an exception for that quarter, then you must compute the penalty. If there is no underpayment in Columns A through D, you need not complete the remainder of this form.

PART II - EXCEPTIONS TO PENALTY

LINE 9

For Interest and Dividends calendar year filers due dates are April, June, September and January; fourth quarter estimates are due January 18, 2011. All other filers: 15th day of the 4th, 6th, 9th, and 12th month of your tax period.

LINE 11

Exception pursuant to RSA 21-J:32, IV(a) - Prior period's tax. The prior year must have been a full twelve months and there must have been a tax liability. Multiply the annual tax paid in the previous year by the percentage shown in the boxes on Line 10, Columns A through D to calculate the exception amounts. If the amounts shown on Line 9, Columns A through D are greater than or equal to Line 11 corresponding columns A through D, you qualify for exception (a). Do not complete Part III for any column in which you qualify for exception (a).

LINE 13

Exception pursuant to RSA 21-J:32, IV(b) - Prior year's tax base and facts using current period tax rate. Multiply your prior year taxable base by the current tax rate to arrive at an adjusted tax. Multiply the adjusted tax by the percentage shown in the boxes on Line 12, Columns A through D to calculate the exception amounts. If the amounts shown on Line 9 Columns A through D are greater than or equal to Line 13 corresponding Columns A through D, you qualify for exception (b). Do not complete Part III for any column in which you qualify for exception (b).

LINE 15

Exception pursuant to RSA 21-J:32, IV(c) - Annualized Income. This exception may be applicable to taxpayers experiencing periodic fluctuations in income. This exception applies if the estimated tax paid was 90% or more of the amount the taxpayer would owe if its estimated tax was figured on an annualized basis for the months preceding an installment date.

A taxpayer may annualize its income as follows:

- (a) For the first 3 months, if the installment was required to be paid in the 4th month.
- (b) For the first 3 months or the first 5 months, if the installment was required to be paid in the 6th month.
- (c) For the first 6 months or for the first 8 months, if the installment was required to be paid in the 9th month.
- (d) For the first 9 months or for the first 11 months, if the installment was required to be paid in the 12th month.

To annualize, divide the taxable base for the period by the number of months in the period (3,5,6,8,9, or 11, as the case may be) then multiply the result by 12. Multiply the result by the current year's tax rate. Multiply the result of the preceding calculation by the percentage shown in the boxes on Line 14, Columns A through D to calculate the exception amount. Do not complete Part III for any column in which you qualify for exception pursuant to RSA 21-J:32, IV(c).

If you qualify for the exception, pursuant to RSA 21-J:32, IV(c), you must attach a schedule to this form showing the annualized income computations.

PART III - COMPUTE THE PENALTY

LINES 16 - 22

Complete Lines 16 through 21 for each quarter for which there was an underpayment of estimated tax and no exception to the penalty was met.

For the number of days indicated on Line 18, determine the number of days from installment due date to 12/31/10 and after 12/31/10. Include the amounts in the calculation shown on Lines 19 and 20.

NOTE: The interest rate is recomputed each year under the provisions of RSA 21-J:28, II. Applicable rates are as follows (contact the department for applicable rates for any other years):

PERIOD	RATE	DAILY RATE DECIMAL EQUIVALENT
1/1/2011 - 12/31/2011	6%	.000164
1/1/2010 - 12/31/2010	6%	.000164
1/1/2009 - 12/31/2009	7%	.000192
1/1/2008 - 12/31/2008	10%	.000273
1/1/2007 - 12/31/2007	10%	.000274

CALCULATION:

Tax Due X number of days from the installment due date to the date on Line 17 x Daily Rate Decimal Equivalent. The sum of days allocated between Lines 19 and 20 must equal the total days on Line 18.

If an estimated payment is missed, send the payment as soon as possible to reduce any penalty.

This penalty will not be imposed if any of the statutory exceptions apply per quarter.

This penalty is in addition to any other penalty that may be applicable and shall be assessed, collected, and paid in the same manner as taxes.
